King's Voice & Music Studio

Studio & Lessons Guidelines

WELCOME TO KVM STUDIO!

We're thrilled to begin this musical journey with you and thank you for trusting us with your family's musical growth. Our goal is to provide enjoyable, consistent and structured lessons that inspire progress and long-term commitment.

OBJECTIVES

- **Teach music** through piano, guitar, voice, ukulele, and bass.
- **Assist students** in setting and accomplishing personal goals.
- **Inspire growth in skill level and confidence** in their God given gifts.

OUR YEARLY LESSON PROGRAM

We see our lessons at KVM Studio as a year-long program designed to build consistency, steady progress, and lasting musical growth. Monthly program rates are $300, $225, or $150, depending on the selected lesson length and format. This simple monthly structure allows families to plan easily while enabling our teachers to deliver high-quality lessons and maintain your reserved weekly time.

We ask that families maintain their regular lesson slot throughout the year, even during holidays or travel. Monthly payments secure your spot and cover the full program value, which balances out over the year—including months with five lessons, scheduled studio breaks, and two complimentary lessons.

If a student misses a lesson, there are no make-ups, though we may occasionally offer a reschedule within the same week at our discretion and availability. If a teacher must miss a lesson, make-up will be provided. Please note that monthly payments are not prorated for missed lessons, absences, or shorter months. This structure supports steady progress, keeps your reserved time secure, and ensures your spot remains protected as our studio and schedule continue to grow.

SCHEDULING

To help us plan lessons smoothly and keep your regular time reserved, we ask that all lessons be booked with payment by the 3rd of each month or before your first lesson of the month, whichever comes first.

LESSONS

- Lesson durations: **30, 45, or 60 minutes**
- Instruments: piano, voice, guitar, ukulele, or bass
- Lessons **start on time**. Late arrivals will only have the remaining scheduled time.

PRICING

- **$150/month** – weekly 30-minute lessons
- **$225/month** – weekly 45-minute lessons
- **$300/month** – weekly 1-hour lessons
- **Note:** Monthly payments are a flat rate, due at the first of every month, and will be charged to the credit card on file or confirmed booking request via Step-Up program.

HOLIDAYS

The following holidays are observed and built into the schedule:

- Spring Break Week
- Memorial Day Week
- Fourth of July Week
- Labor Day

- Thanksgiving Week
- Winter Break (Christmas – New Year's Day weeks)

These scheduled breaks are intentionally built into the yearly calendar to provide students with natural rest periods throughout the year. Tuition is calculated on an annual basis and evenly distributed across the months, meaning some months may include more lessons while others include fewer. Over the course of the year, students receive the full value of consistent instruction.

TWO FREE LESSONS

- Students receive **46 lessons per year**.
- **2 unbilled lessons** are included in the flat monthly tuition rate for bonus lessons or for holidays, vacations, illness, emergencies, or other events.
- Missed lessons are **not refundable or credited**.

LESSON CANCELLATION (Withdrawal & Notice Policy)

We kindly ask families to provide **30 days' notice** if they plan to discontinue lessons. This allows us time to adjust scheduling and offer the lesson spot to another student.

At this time, we do not charge a withdrawal fee. However, advance notice is greatly appreciated and helps us maintain consistency and availability for all students.

- Families who withdraw without notice may be given **lower priority for future enrollment or waitlist openings**.
- Lessons **being put on hold may not be an option**. Giving up your time slot allows any student on the waiting list to take it
